Nineteen 96

Volume XXXIV

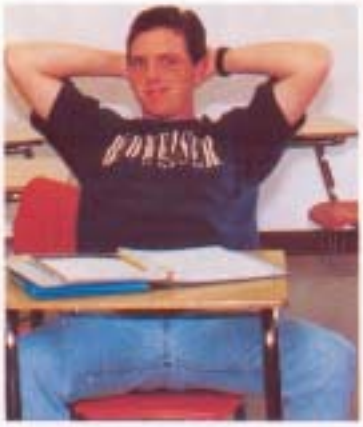
Carmichaels, Pennsylvania

Carmichaels Area Student Life

Well here we are seniors at last. The time has really gone by so fast. We will all be leaving here to pursue different dreams and careers. One thing we will all take with us besides our diplomas is all the great memories that we have shared together. Some of us have been together since kindergarden and others that have just been here since our senior high years. No matter how long we have known one another we will never forget all the great times we have shared along the way. We will take all the memories of football games, basketball games, baseball games, band trips, dances, bon-fires, ski trips, and not to mention some of our great classes spent together. We seniors at Carmichaels Sr. high school have really made some great friends who we will never forget no matter where our lives may lead us!

"A friend is one who knows you as you are, understands where you've been, accepts who you've become, and still, gently, invites you to grow."

Above: Cut-off sleeves were popular among the guys of Carmichaels, as Dan Hunyady shows here.
Above right: Although questions have been raised about what a "Mike" really is, Shannon Bandish and Misty Barnhart know that this is definitely not a "Mike."
Right: Malcolm Journic and Ernie Bencheck, close friends in the senior class, take time out to pose for a picture.
Below: Dan Hennessey takes a break from studying to kick back and relax.
Below right: Heath Gallentine appears to be having "woman troubles" with his girlfriend Sara Harr, and his friends seem to be enjoying it.



Top left: The camera appears to have stunned Chrissy Dickens as she searched through her locker.

Top right: After another long and challenging day, Olivia Madich and Kristen Chess are getting ready to go home.

Middle: Beth Switalski, one of many extremely talented artists within the school, is creating another masterpiece.

Bottom left: Bryan "Dutch" Voithofer, always the entertainer, shows his basketball shooting form as fellow team members Justin Voithofer and Danny Everly laugh.

Bottom right: Meredith Dudics is giving Todd Nopwasky money. Chances are it ended up in one of the new vending machines.

Traditions . . . Past, Present, and Future

Many new additions were made to CAHS for 1995-96 to help aid in the continuing improvement of our school. A new computer lab was added this year, consisting of more than 25 computers. After the lab was set up, Jim Crilly and Lane Harbarger (top right), along with Dave Cunningham, installed most of the software and fixed a few minor glitches with the help of Mr. O'Hara. Nearly every senior and faculty member was able to gain valuable experience on the computers.

Mr. O'Hara, also the senior class sponsor, made arrangements for additional vending machines to be placed in the lobby, with the benefits going to the senior class. Travis Penich and Brad "Big L" Lawrence could be found contributing to the senior class fund quite frequently (far right).

At CAHS, some things will never change. Mr. White, showing his best smile, peers into a classroom to enlighten us with his "infinite wisdom (middle)."

Whether it be *Beowulf* or *The Canterbury Tales*, Mrs. Madlock perenially tries to maintain her students' attention (bottom right).

It is never uncommon to find senior guys in the halls chasing after women. The scenario seems to be reversed, however, as Shannon Bandish closes in on Sam Murphy and John McCombs (below).

Sports and Special Events

Christmas Carnival

This year the Senior Standing Committee held a Christmas Carnival in the senior high gym. All the money that was raised was put into the senior high activity fund. There were many things to do such as: ring toss, speed throw, poster toss, pictures with Santa Claus, and many others. The biggest attraction was the pie throw. Students really seemed to enjoy throwing pies in the faces of some of their favorite teachers. Everyone that attended had a great time!

Center: Malcolm Journic and Travis Penich are posing for the camera. Travis is holding one of the many prizes that were won by the students.
Bottom left: The Community Service group sponsored a booth where students could have their pictures taken with Santa Claus. Their proceeds were donated to the Salvation Army.
Bottom right: Shawn Treece and Joe Popielarcheck were just two of the many students to have their pictures taken with Santa Claus.

Below: Mr. Batis is shown here gettin creamed in the face with a pie. Many othe teachers were brave enough to participat in the pie toss, including Mrs. Andrews, Pa Gibson, Mrs. Pascuzzo, and Mrs. Shlosky Some students, for whatever reason, als decided to use their faces for pie targets Maybe they were just hungry.

Class of 1996

After twelve years of hard work and dedication, the students of the class of 1996 will be moving on to bigger and better things. Whether it be college, a job, or just laying around the house, we will all be forced to try our hands at something unfamiliar. Our high school days will soon be over.

Though most of us agree we have been waiting for this moment for as long as we can remember, I am sure we will miss our days here at Carmichaels Area High School. Undoubtedly we will retain fond memories of high schoool, and hopefully others will recognize the many achievements of the class of 1996. We have received recognition in academics as well as extracurricular activities. The pride we took in ourselves was evident through our extremely talented band, our championship calibur sports teams, as well as school plays and numerous other activities.

The future we have prepared ourselves for is yet to be defined. The choices we have made throughout high school have molded us as individuals and have prepared us for what is to come. Best of luck in your future endeavors, class of 1996, and keep striving to be your best!

CAHS Envirothon

Challenging young minds to enhance their environmental awareness and cultivating a desire to learn more about our natural surroundings through competitive events are the main goals of the Envirothon.

On May 17,1996, the two Carmichaels Envirothon teams will participate in the Greene County Envirothon, which is a county wide competition between area schools. The ten teams from the five schools in the county take the contest very seriously, for the team that wins the county contest gets to compete in the State Evirothon. Our teams have been studying hard in preparation for the Envirothon. To prepare for the competition, team members concentrate on five general subjects, including: wildlife, aquatics, soils, forestry, and current issues.

The teams have been working hard and are well prepared for the Envirothon competition. The environmental knowledge that they have gained will benefit the members and their community all their lives.

There are no losers at the Envirothon. We are proud of all of their efforts and accomplishments.

Team 1: Dan Everly, Mark Willis, Kevin Rohland, Randy Hamilton, and Marty Caffrey.

Here the team studies stream ecology.

MEMORIES '96

Graduating Class of 1996!

It seems just like yesterday that it was the first day of our senoir year, and now our high school years are over. Most of us were sad to leave one another after all we had been through. Others were happy to graduate and explore opportunities that lie ahead. Now we begin the jouney of adulthood and the responsibilities that success demands.

The graduation ceremony was held on June 7,1996 in the high school gym.Mr. Carl Tyransky gave the graduation addresss to our seniors. Our Superintendent Mr.Jim Zalar next gave the seniors a message of advice that we will remember forever. David Cunningham and Jamie Minder played us a beautiful piece of music that we will remember them by for a long time. Our Valedictorians Shalee Johnson,John McCombs, and Mark Willis gave some insperational advice, along with our Salutatorian Nedra Rice and our Class President Meredith Dudics. At the end of the ceremony Meredith Dudics gave the roll call and we received our diplomas from Mr.Bacon and Mr.Sherlock. Now we all go our separate way and make our own separate lives. We will remember one another forever.

On Friday October 13, 1995 the atmosphere was full of excitment. There were many fancy cars all over the football field and nine beautiful ladies and thier handsome escorts ready to take the field. The sense of school pride coming from the crowd could signify only one thing, Homecoming 1995.

The Coal Queen pagent, which was held on the Friday before the annual King Coal Show in the CAHS auditorium, included the interview, evening gown, talent, and impromptu question segments. Shalee's talent was a musical theater selection, in which she combined singing, dancing,and acting to the song "If My Friends Could See Me Now" from the brodway musical "Sweet Charity."

Olivia Madich was choosen,as Miss Merry Christmas, to represent Carmichaels Area High School in the Waynesburg Christmas parade.To be choosen as Miss Merry Christmas, any intrested senior girl must sign up and then the senior class votes for whom they wish to represent them.

SPIRIT WEEK

The week prior to Homecoming night is reffered to as Spirit Week. These days included Camo Day, Hat Day, And Blue and Gold Day. Many students become very creative when given this opportunity.

Some students went beyond the traditional, such as wearing a sombrero or a hardhat for Hat Day. On Camo Day, several students were dressed head to toe in camo attire. For Blue and Gold Day a few students even painted their faces with blue and gold face-paint. This showed what some students will do to show their school spirit. Spirit Week was concluded with a pep ralley to get everyone psyched up for the big game.

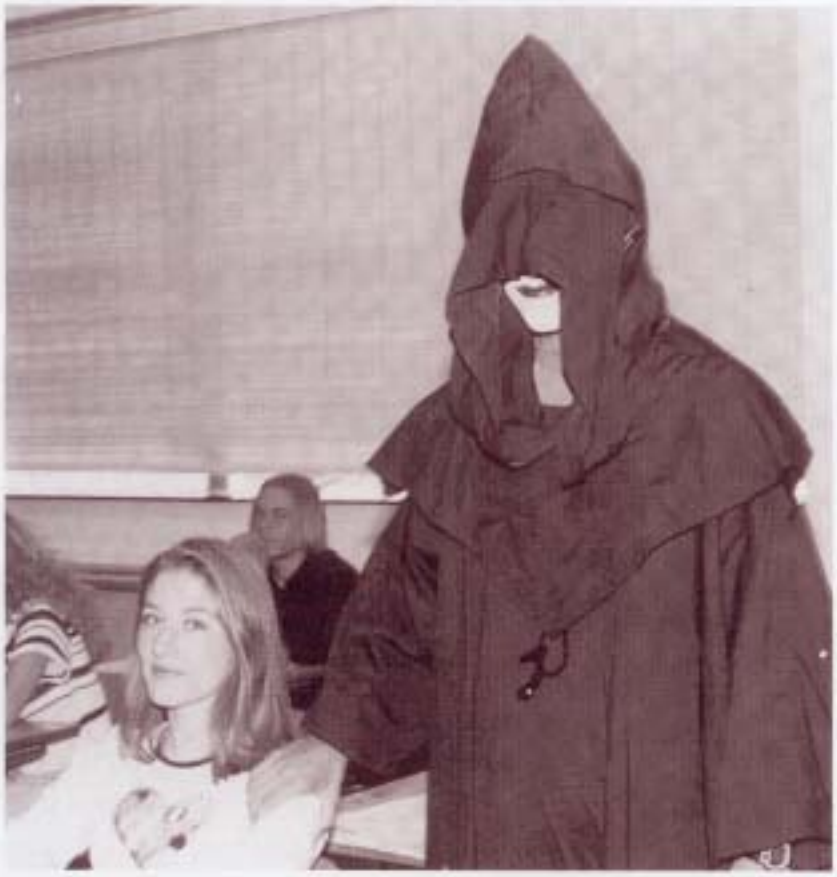
DRUG FREE WEEK



October 22-28 was Red Ribbion week. Our school participated in various activities to show our support of not using drugs and alcohol. The included Red Day, Black Day, Cap Day and Twin Day. The major event of the week was held on Thursday, October 26. Statistics state that every 22 minutes someone dies from drug and alcohol related causes. In ordered to emphasize this and to show how it effects us, the "Grim Reaper", visited and took a student for every 22 minutes of the school day. This student had a red tear painted on his or her sheek, and was not allowed to speak for the day. This was done to show how our lives would be affected by the death of a classmate.The Peer Support Group provided everyone with more information on drug and alcohol awareness. By the end of the week, students were well informed of the effects that drugs and alcohol have on their lives.

Although the season started out slow, it ended on a good note. This year's team was coached by a well educated staff, Head coach: John Menhart, Offensive coordinator: Tim Jones, Line coach: Gene Franks, Defensive coordinator: Vic Lapkowicz. The season this year had its ups and downs, but nonetheless the fans kept cheering. Our school's team finished the season with a 3-7 record. The Mikes were faced with a rough schedule for the first four weeks, with the exception of one game against Union City in which they were victorious. However the team played on with intensity. Despite the season's record the Mikes ended the season with a victory over the rivaling school of Mapletown, which sets the tone for next year.

What a great season it was!

The Jr. High team completed a very successful season ending with a 6-1 record. The Jr. High Mikes dominated their opposition in all of their wins with their only loss to Connellsville in a close 14-6 game. The team scored 232 points while giving up only 54.The Jr. High Mikes have had one of the most memorable seasons ever. Under the direction of Head Coach Rob Cole and Assistant coaches Dave Briggs and Richard Krause. The team was led by several Freshman in which aided to the ease of rolling over their opponents.

HOOPS '95—'96

In early November a group of young men made a challenge for themselves to complete a task that had only been done by one other Carmichaels team ever, that was to make it to the state playoffs. This group of young men did not only reach their goal of getting to the state playoffs, but they won their first and second round games before losing to Coudersport in the quarter finals round of the state playoffs. For a team that lacked size and depth they continued to win in their own fashion, by shooting the three. The team was led by seniors Justin Voithofer,the WPIAL'S leading scorer, Dan Everly, John McCombs, Bryan Voithofer, and junior Gary Giles. The '95-'96 Mikes believed in theirselves and gave it their all, until the final buzzer of their 22-6 season ended. Years will come and go but the success of this years team will not soon be forgotten.

This year's Lady Mikes went 10-11 for the 95-96 season. The team was led by five seniors, Jaime Repa, Meredith Dudics, Kristen Chess, Kim Swaney, and SHalee Johnson. Three out of the fiveseniors have started since their freshman season. They are, Repa, Dudics, and Chess. This trio led this year's Lady Mikes to the WPIAL playoffs. However, with their great effort, they lost in the first round shen they were defeated by Serra Catholic 53-31. Despite their effort to further advance int he playoffs, the team settled for what they were handed. Through the year, with ups and downs, the team stuck it out and played to the best of their ability. Coach Bob Kramer and assistant Angie Cole have a lot to be proud of, for their girls led them to another playoff spot. Way to go girls, we're proud of you.

The Carmichaels Baseball team once again had a fun and also successful season. Even though they did not win the section for the sixth consecutive season, they ended up in second place with an 8-4 record. They also clinched a playoff berth. They won the first playoff game over Charleroi with a exciting 11-10 victory, but lost their next game to Carlynton 11-6. "PURE DOMINATION"

The girls on this year's softball team dominated all around. They were most impressive on the field, and always played as a team. They stuck together when times got rough and pulled it together to come out on top everytime. The girls totally dominated every team that they played, to finish with an undefeated record of 13-0. Not only did they finish undefeated, but are also 3-0 in the playoffs so far. With the coaching of Rob Cole, the girls stop at nothing in order to meet their goals. They said that they are going for the WPIAL title, and by the looks of it they will probably achieve their goal.

Varsity Cheerleading

WHAT IT TAKES
It takes a lot of courage
It takes some self control
It takes a lot of work
If you want to reach a goal.

It takes a lot of caring
It takes working as a team
It takes a lot of bending
If you're reaching for a dream.

It takes some painful hours
of muscles tight with pain
It takes determination
for squads to be the same.

It takes a lot of giving
It takes some rays of hope
It takes encouragement from others
To know just how to cope.

But when all the skills are learned
Your goals are almost done
You look back on all the pain and trouble
And just remember ALL THE FUN!!!

Top right is Heidi, Rita, and Amanda cheering at a pep rally GO FIGHT WIN, Mikes!!! Bottom left is Rita, Shannon, and Misty having a lot of fun cheering at an away game. The varsity cheerleaders were great to them and let us participate in several of their assignments. They will always remember the bonfires, the pep rallies, and above all school spirit. They will continue to work hard to keep that spirit alive at C. A. H. S. Thanks to all the MIKES for your support.
